There will be pizza!

Costumes are welcome!

Please respond to this email to sign people up!

Dear group home staff,

We will begin a new procedure on March 6, which will make life easier and safer. Please drive up the circle driveway to the door of the Rec Center, and let your clients out of the van. There will be a recreation staff member at the door. Then park your van and join your clients. When you wish to leave the dance, alert a recreation staff member. They will stay with your clients inside near the door, while a group home staff member drives up the circle driveway with the van.

With warm regards,

Betsy Hand
