The Arc
Ocean County Chapter

2026 Annual Appeal

Dear Friends & Supporters,

December 1, 2026

At The Arc, Ocean County Chapter, we believe everyone deserves the opportunity to live a meaningful and fulfilling life. Each year, we look for new ways to enrich the lives of individuals with intellectual and developmental disabilities and their families.

This year, with your generosity and support, we hope to bring an exciting vision to life: The Arc Art Studio, a dedicated space where individuals of all abilities can explore their creativity, express themselves, and discover new talents.

Your thoughtful end of year gift will help to fund the Arc Art Studio for individuals with intellectual and developmental disabilities.

Art is more than a creative outlet. It is a powerful means of self-expression that builds confidence, reduces stress, and promotes emotional well-being. We have witnessed firsthand the pride individuals take in their creations and the joy they experience when sharing their talents with others. Every work of art celebrates individuality and reminds us that creativity knows no limits.

Donate!

The Arc Art Studio is a new program opportunity that encourages wellness with adaptive art classes to provide mental, emotional, and cognitive benefits to the individuals we support while offering a space to consistently and meaningfully express themselves.

Your donation will fund a dedicated studio space at the Adult Training Center in Lakewood (ATCLA) and a full-time professional Artist on staff to bring painting, drawing, ceramics, and mixed-media to participants with disabilities on a daily basis.

Your generosity will help turn creativity into opportunity, giving individuals of all abilities a place to express themselves, discover their talents, and shine.

Our vision extends beyond the studio. By showcasing artwork in local galleries, libraries, and community events, we hope to celebrate the talents of our artists while promoting inclusion and disability awareness throughout Ocean County.

Thank you for your dedication to the individuals we support and their families, and thank you for playing a part in making our Arc Art Studio a reality. We look forward to showing you the joyful and creative artwork in the New Year!

Warm Regards,

Laura Williams
Executive Director
