October is National Disability Employment Awareness Month

It's important to recognize the role people with disabilities play in a diverse and inclusive American workforce. The Arc strives to support our community with employment opportunities and services. Learn more about what we offer and how you can become a business partner [here](#).

It's Apple Season

Happy Fall Ya'll! Our vocational ATCs are enjoying the crisp air and all things autumn around Ocean County and our neighboring communities this month. Journeys and Discovery visited Eastmont Orchards in Colts Neck for apple picking. Be sure to follow us on [Instagram](#) @thearcocean to see where we visit next!

Mini Golf is a Hole in One!

We had a ball at this weekend's Mini Golf Tournament and Gift Auction at Barnacle Bill's! Thank you to our sponsors, golfers, volunteers, and donors for supporting this event which raised over \$21,000 for The Arc's programs and services. We love to see our community coming together for fun and inclusive events - be sure to [check out our photos](#) this week!

The Sensory Space

The Arc was fortunate to visit the new [Ocean County Library Sensory Space](#) at the Toms River branch this month and experience the calm environment which provides a visually stimulating, tactile, soothing and interactive room for all members of the community.
