## The Arc, Ocean County Chapter September Virtual Recreation Calendar

### Virtual Recreation Activity Descriptions

Bingo: Join us every Tuesday from 6:00pm-7:00pm to play a virtual game of Bingo. Participants can make their own bingo card by writing 24 animals from the provided list in the boxes, or print out a provided bingo card with pictures of animals. Words will be drawn from a hat by the activity leader, and participants will mark their boards with coins/buttons until they get Bingo.

Karaoke: Join us every Wednesday from 3:00pm-4:00pm and sing along to your favorite songs at a virtual Karaoke session. Participants must submit their song requests ahead of time in the event registrations.

Thursday Theme Dance: Dance along to your favorite songs for 1 hour at our themed dances. The theme will be voted and announced on social media. Feel free to leave your song request in the registration, and have fun with the theme by dressing up!

Would You Rather: Play a virtual game of Would You Rather by choosing 1 of the 2 theoretical options given to you by the activity leader and explaining why you choose it. Example: Would you rather eat a cookie or eat a cupcake?

Hangman: Play a virtual game of hangman by guessing one letter at a time, when called on by the activity leader, to try to figure out what the mystery word is.

Mad Libs: Play a virtual fill in the blank story game called Mad Libs by giving examples of nouns, adjectives and verbs to the activity leader when called on. These different words will fill in the blanks to a fun story that will be read out loud. Need some help thinking of words? Print out a list of fun examples of nouns, adjectives and verbs below.

Name That Tune: Play a virtual music guessing game called Name that Tune by listening to a short clip of a song and guessing the name, artists or lyrics.

iSpy: Play a virtual game of iSpy by looking at the activity leader's screen and guessing what the mystery object is.

Spot the Difference: Play a virtual game of Spot the Difference by paying close attention to the activity leader's screen, who will shut off their camera for 30 seconds to change objects around, then turn the camera back on. Participants will then search for anything different in the room and raise their hand when they find the change.

Disney Name that Tune: Play a Disney themed virtual music guessing game called Name that Tune by listening to a short clip of a song and guessing the name, artist, or what movie the song is from.
