

We Miss You, Too.

As we continue to practice social distancing at The Arc, Ocean County Chapter we want our participants at home to know we're thinking of you, we hope you are staying well, and we will see you again soon.

Our COVID-19 Wish List

First and foremost, thank you to our neighbors and friends near and far for your donations of masks. We are so grateful for the response we received. We are still in need of personal protective gear for our staff and residents including face masks, face shields, gloves and isolation gowns. We have also created an Amazon Wishlist with fun games and activities to support our emotional well-being.

Donate to the COVID-19 Relief Campaign

Thank You DSPs!

We have over 300 Direct Support Professionals who provide exceptional care to our participants day in and day out, no matter the circumstances. They are the everyday heroes you hear about so often in the news today! Please share a note of thanks with our staff so we can let them know how appreciated they are.

Join #ArcOcean from home!

Be Inspired

We know our participants are missing their friends and staff right now but we can still stay connected virtually! Be sure to follow us on social media for daily ideas and inspiration, tag us in your photos, and download our fun [social distancing calendar](#).
